PRE-PESACH SAFETY TIPS

• **Cleaning and Handy Help** —Please do not leave any valuables (jewelry, money, etc.) accessible or visible to your house help during Pesach preparation.

• **Deliveries** —Three important tips when accepting deliveries:

1. Don't leave delivery people unsupervised in your home
2. Don't leave the door ajar while delivery person is waiting to be paid or tipped
3. Don't leave your money exposed

• **Keep your belongings inside** —Please avoid leaving belongings on your porch or outside your home (side entrance, backyard, driveway, etc.), even for a short while, as these could be stolen easily, particularly when retiring for the night.

• **Locking your doors** —Please keep your doors locked at all times, even during the day and even for a short while, whether you are at home or outside.

• **Children** —Never leave your child unattended in his or her carriage or stroller, whether walking on the street, shopping in a store, or in your car.

• **Pickpockets** —Watch-out for pickpockets at all times, particularly while shopping for Yom Tov. Never leave your pocketbook or wallet on a carriage, stroller, store counter or unattended. Be aware of the many tricks pickpockets may use to distract your attention and rob you while you least expect it.

• **Being followed** —Be particularly alert and cautious while withdrawing money from an ATM or a BANK TELLER, as you may be watched and followed. Please be aware of the many tricks robbers may use to distract your attention.

PESACH SAFETY TIPS

• **If you plan to go away for Yom Tov** —It is preferable to leave a key and alarm code with a relative or neighbor who may need to have access to your home in case of emergency. REMEMBER to lock all access to your home (gates, doors, windows) before going away.

• **Yom Tov Guests** —Prior to accepting to host a stranger for the Sedarim and Yom Tov meals, please make sure you verified his or her references.

• **If you plan to take children to amusement parks** —Please don't leave carriages with infants unattended while watching the other children on the rides. It is advisable to have the children wear an I.D. tag with their parents' name and cell number. Please beware of scam games in amusement parks as these games are designed for all to lose large amounts of money.
